REFRAIN

just the dream I'd dreamt be - fore. You're ex-act - ly like a dream come true;

The Refrain consists of two lines of music. The first line has the lyrics "just the dream I'd dreamt be - fore." and the second line has "You're ex-act - ly like a dream come true;". The piano accompaniment features a rhythmic pattern of eighth and sixteenth notes in the right hand and chords in the left hand.

I've been dream-ing all my life of you. I al-ways tried to find these lit-tle ways of mak-ing you near-er and

dear-er. Now that you are mine there's lots to do,— we can con-sum-mate my schemes for two, then

I've got scenes and acts ga-lore to show you how ex-act-ly you're like my dreams come true. A coun-try house, a

week-end stay, when we were guests to-geth-er, a luck-y— day, you can't im-ag-ine how odd it seems, to be

in-tro-duced to one of your dreams! You're ex-act - ly like a dream come true; dreams that come to life are

all too few; and mine are short and sweet be-cause my sense of joy com-plete wakes me, and makes me

thank my luck - y stars that I got you— you're the sort of dream men all pur-sue,— but

since we know the Gold-en Rule of con-stant love, I'm sure that you'll like my dreams come true.
